as quickly as possible.**

24/7 EMERGENCY

HIGH VOLTAGE ELECTRICAL SERVICES

Hot Line has been providing emergency response services to our utility customers for over three decades. Whether it's a fire, storm, or any other disaster, Hot Line's emergency response crews are ready to respond 24 hours a day, 365 days a year.

SAFETY FIRST

When it comes to providing high voltage emergency response services, it's more than what you do—it's how you do it. For Hot Line, that means adhering to the most rigorous safety practices and procedures in the industry.

ALWAYS PREPARED

A ready team is a high performance team. With a supply of equipment and materials on hand and highly skilled team members on call, we are prepared to respond at a moment's notice.
